

Digital 3-axes position measuring system MPA - 3

Digital measuring system MPA 3 - Set

- To measure positions or to display counting values
- Parameters can be displayed at any independent position and can be further processed using the interfaces
- 3 incremental inputs · Individually programmable
- Three-row five-segment display · Front course programming keys
- Free programming of scaling factors, offset, reference value, etc.
- Contactless - maintenance-free - solid
- User-friendly menu guidance

Extent of supply

- Compact, digital 3-axes position display for milling machines (X - Y - Z) and for lathes (X, Z, Z₀) · Metal frame · Magnetic stand
- Power supply unit VDC 24 V · Measuring tape incl. three magnetic sensors MS100/1 · Display accuracy 0.005 mm · Special steel covering, self-adhesive

Digital measuring system MPA 3 kit S 338 3902 739.00

- E.g. for BF 20(L) Vario, D 180, D 210, D 240, D 250, D 280
- Length of measuring tape 1100 mm

Digital measuring system MPA 3 kit - L 338 3904 790.00

- E.g. for D 320, D 330, D 360, BF 30 Vario, BF 46 Vario
- Length of measuring tape 2000 mm

Factory assembly MPA 3 900 0420 390.00

- Incl. material

Individual components of the kit

Measuring display MPA 3 ①

- Compact, digital 3-axes position display
- Item No 338 3920;
- € 450.00 VAT excl.

Metal housing ②

- Incl. magnetic stand
- L x W x H: 87 x 110 x 125 mm
- Item No 338 3998
- € 16.00 VAT excl.

Magnetic sensor MS 100/1 ③

- Display accuracy 0.005 mm
- Per piece
- Item No 338 3931;
- € 85.00 VAT excl.

Magnetic tape MB 100 ④

- Price per cm
- Incl. steel tape
- Item No 338 3941
- € 0.69 VAT excl.

Power supply unit VDC 24 V ⑤

- Item No 338 3999
- € 9.90 VAT excl.
